Field trip - activity and picture notes

Start with the activity

Review where the group is going and what choices are possible. Leave space for questions and concerns.

Try another version

Choose one thing to tell a friend about after returning.

Using the board

Let the communicator choose, comment, refuse or change the plan. These 12 pictures are a small activity vocabulary set, not a complete communication system. Choose a comfortable size and position. The browser version can speak messages using an available device voice.

Pictures and reuse

This PDF uses the library's existing illustrations and colorful Lucide cues. Pictures are resized and placed in a new board layout without artwork changes.
